May 14, 2001

Dear Tony:

On behalf of the children and families of Simcoe Hall Settlement House; we wish to express our sincere appreciation for your kind contribution towards our 8th Annual Charity Golf Tournament co-sponsored by the Canadian Corps Association to be held on Saturday August 25, 2001 at Sunnybrae Golf Course in Port Perry.

This annual event has become known to golfers in our community for its great day of golf, great dinner and fantastic prizes! We receive positive, enthusiastic feedback from those who participate in the tournament and it is a pleasure to see familiar faces returning each year in continued support of this most worthy cause.

Our many programs and services are brought to the community as a direct result of the support we receive from people like you. Thank you for remembering us and, more importantly, the children, adults and families whose lives are affected by poverty.

Thank you, once again, for extending your valued support and friendship to Settlement House and the community we serve.

With kind regards,

Joanne Duncan, Bookkeeper
